RE: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Judge Marion,

On behalf of the Citizens for Responsible Energy, Inc. (CRE), I am requesting full party status in the above-captioned matter. CRE is a non-profit coalition that represents citizen groups and individual Wisconsin ratepayers who question the efficacy of the American Transmission Company's proposed transmission projects in Dane County.

We are requesting full party status in the above titled matter so as to assert our interest in the issues of the case. It would be most appropriate for the PSCW to deem this application incomplete, since the ATC has failed to respond to all of the PSCW information requests including information on the effects of conservation and renewables, and because the ATC has failed to provide credible justification of need, among other things.

All members of CRE will be affected by the PSCW decision regarding the ATC's North Madison to Huiskamp Transmission Project, as will all ratepayers in the state of Wisconsin. Our interests will not be adequately represented by other parties. Please direct all correspondence on this matter to:

Robin Stearns  
Citizens for Responsible Energy  
1101 Bluebird Trail  
Waunakee, WI 53597.

Thank you for your attention to this request.

Sincerely,

Robin Stearns
